INCUBATOR AWARDS:

For any faculty member to hold meetings, think tanks, conferences, seminars, workshops etc. designed to forge new collaborations in innovative arenas relevant to HIV disease.

The UCLA-CDU CFAR is accepting applications to fund seminars, symposia, and think tanks. The purpose of these awards is to support collaborations and new ideas to meet the rapidly changing needs in the field.

Research projects will NOT be supported by this mechanism

- Maximum request per applicant: \$10,000
- Successful applicants must acknowledge the UCLA-CDU CFAR grant AI152501 in any resulting publications and presentations.
- Awards not expended within 12 months must be returned to the UCLA-CDU CFAR.
