

The UCLA-CDU Center For AIDS Research
Community Engagement & Clinical Informatics Core

**Stronger Together: Stakeholder-Involved Summer Research Institute
in HIV Prevention, Testing and Treatment**

August 4-6, 2025, | Los Angeles, California

We are pleased to announce that applications are now open for the 3rd
Annual UCLA-CDU CFAR CPPR Summer Research Institute.

- Geared toward emerging investigators (postdocs & early career faculty without K or R-series grants)
- 3 day immersive in-person event
- Limited to 15 participants
- Covers stakeholder partnered principles, methodologies, and best practices in collaborative research
- Includes key topics in HIV prevention, testing, and treatment research
- Builds skills to form equitable partnerships with CBOs
- Supports development of innovative research proposals

Applicants must hold a tenure/tenure track or Postdoc position at an institution that is eligible to receive federal funding, have completed their doctoral degree within the last 10 years, and be committed to HIV prevention, testing, and treatment research by collaborating with stakeholders. Other restrictions apply. Please see application for full details.

Application Due Date: May 21, 2025

Application Requirements: Application, 2 Letters of Support, Research Statement
